# Externaltools Request access to our organization!

## Farah Schueller    Team Management    Employee Management

### User Information

**SUSE alias**

**Location**

**Manager**

### Services

| Tool | Alias | |
|------|-------|---|
| Github | | 🗑 |
| Trello | | 🗑 |

Add new service...

Here you can create an overview of the external tools you currently use and get access to our SUSE organization on Github. Click on 'Add new service', choose from the dropdown and enter your respective alias (**not** your affiliated email address).

Need more info?

Already proudly showing off membership of SUSE org on Github! Kudos!

If you need access to the SUSE org on Trello, drop us a note.
